Upon these measures, the Asset Management Company agreed with SMFL and FLMP to expand the support which SMFL and FLMP have been providing to Kenedix Retail REIT Corporation to other REITs which the Asset Management Company manages. Through the Alliance Agreement with SMFL and FLMP, the REITs including the Investment Corporation, which the Asset Management Company manages can expect to promote their growth strategies and contribute to further enhancement of their unitholder value by making maximum use of their extensive support including pipeline support from SMFL and FLMP.
