**Notice Concerning Acquisition of Certification for CASBEE for Real Estate**

Kenedix Office Investment Corporation (“the Investment Corporation”) has announced that it received CASBEE (Comprehensive Assessment System for Built Environment Efficiency) Certification for one of its properties today.

The total number of properties that acquired Certification for CASBEE for Real Estate reaches 25 among its properties after the acquisition.

**1. Property Acquired Certification for CASBEE for Real Estate and Certification Rank**

A property acquired Certification for CASBEE for Real Estate and the certification rank is as follows.

Property Name	Location	Certification Rank	Date of Certification
Mitsubishijuko Yokohama Building	3-3-1 Minatomirai, Nishi-ku, Yokohama, Kanagawa	 Rank S ★★★★★	March 25, 2022

**2. Overview of Certification for CASBEE for Real Estate**

CASBEE is an evaluation system for rating the environmental performance of buildings, developed under the auspices of the Ministry of Land, Infrastructure, Transport and Tourism. The system rates the overall environmental performance of buildings from two perspectives; the evaluation of the environmental quality and performance of buildings themselves and the external environmental load of buildings.

Certification for CASBEE for Real Estate is rated in four scales: rank S, rank A, rank B+ and rank B for buildings with 1 or more years old after completion.

### **3. Initiatives for Sustainability**

The Investment Corporation promotes ESG (Environment, Social and Governance) measures based on “Sustainability Policies” established by the Asset Management Company.

As a pioneer in J-REIT focusing on mid-sized office buildings, the Investment Corporation will continue to advance environmental and energy conservation measures as well as efficient energy use for its own office buildings with the support of outside consultants and proactively promote initiatives for sustainability.
