Note 1: The first interest payment of Series 176-A is due at the end of September 2020, and on the last day of every month thereafter with the principal repayment day. The first interest payment of Series 176-B is due at the end of November 2020, and on the last day of every 3 months thereafter with the principal repayment day. If each interest payment day or the principal repayment day is a non-business day, then the interest payment or the principal repayment will be due on the next business day and if that next business day is in the next month, then previous business day will be applied.

Note 2: The base rates that are applied during interest period for the interest due on each interest payment date for Series 176-A shall be calculated based on Japanese Yen TIBOR for 1 month, which the JBATA releases two business days before each interest payment date. The Japanese Yen TIBOR of the JBATA is available on the JBATA website (http://www.jbatibor.or.jp/english/rate/).

2. Purpose of Debt Financing

Series 176-A is to apply the fund towards the repayment of Series 167 (1,000 million yen) with the principal repayment date of August 31, 2020, Series 176-B is to apply the fund towards the repayment of Term Loan 87-B (1,500 million yen) with the principal repayment date of August 31, 2020.

Note 1: Short-term borrowings refer to debt financing with a period less than or equal to one year from the drawdown date to the principal repayment date. However, the borrowings for which the period until the principal repayment date has surpassed one year because the principal repayment date after one year from the drawdown date is not a business day, and for which the principal repayment date has been moved to a different business day, are included in short-term borrowings.

Note 2: Long-term borrowings refer to debt financing with a period more than one year from the drawdown date to the principal repayment date.

4. Other

For risks concerning the repayment, etc. of the aforementioned debt financing, there are no significant changes to the “Investment Risks” as described in the Securities Report (submitted on July 30, 2020).
